If your child misses the coach for any reason and is not considered to be at risk it may be that they need to make personal arrangements for the return journey. Consideration will be given to the age and maturity of young supporters should these circumstances arise.

I am responsible for notifying Crewe Alexandra of any changes to the emergency contact number(s) provided above, and understand that failure to do so may result in the refusal to carry the above named child on Crewe Alexandra coaches, for changes to contact details please contact 01270 252610 or email tickets@crewealex.net
