

Young Person's (14-17 Years) Organised Away Coach Travel Policy Statement

Crewe Alexandra Football Club (CAFC) is committed to safeguarding the welfare of all children and young people and expects all those involved with the club to endorse this commitment.

At CAFC we are keen to engage fans of all ages to support the club in all activities, including matches played at home and away.

In order to support both of the above commitments CAFC have developed a policy which we hope can encourage young fans to support away matches but seeks to ensure their safety when travelling to away matches.

Many young people begin to gain growing independence in their teenage years; we want to support that independence. We have developed a club policy which seeks to address that whilst still trying to keep young people safe.

This policy relates only to supporter transport which is arranged and sanctioned by CAFC. The club cannot be held responsible for any independent travel firms or informal travel arrangements accessed by supporters or the parents or guardians young supporters.
